

LTUSD employee in need of assistance

From Angie Keil at Lake Tahoe Unified School District:

Sept. 17 brought some very tragic news for our friend and co-worker, Sierra Soleta, senior accounting assistant. She was notified that her husband, Ben Soleta, had passed away at home sometime during the morning due to unknown causes. He leaves behind his grieving wife, Sierra, and two sons (3 and 13).

An account, "The Soleta Family Fund", has been set up at El Dorado Savings Bank to assist Sierra and her family. Donations may be made at any El Dorado Savings bank and the account number is: 143008985.
