

Flu shots in Incline

Free flu shots are coming to Sierra Nevada College in Incline Village.

On Oct. 22 from 11am–2pm in Patterson Hall, Hometown Health will offer free walk-in flu vaccinations to individuals with the following insurance plans:

- Hometown Health – HMO or PPO
- Senior Care Plus
- State of Nevada – HMO
- Medicare – Primary, with no other HMO. (Must have Part B.)

The seasonal flu shot will be available to students and others without the required insurance for a charge of \$28 made payable by cash or check.

In order to receive this service free of charge, a valid insurance card must be shown at the time of vaccination. The 2010 influenza vaccine includes H1N1 protection.
