LTN looking for information

Lake Tahoe News is always eager for news to deliver to readers. Does your group have an event coming up? Then send all the basic who, what, where, when, why, how, cost, contact info to **info@LakeTahoeNews.net** so it can be added to the Events page.

If the event is over, consider writing a few paragraphs and sending a picture to the same address. *LTN* frowns on photos of people standing in a line. Show some action.

Lake Tahoe News will also publish obituaries – for free.

Do you have an opinion you want to share? Then consider writing a guest column or letter to the publisher. Or maybe your group wants to send out a thanks to the community or specific people or businesses. All of these items go under the Voices section on *LTN*.

Please include your name and phone number so a representative from *Lake Tahoe New* can call to verify the letter writer or ask questions.
