

# **3 publications coming in '11 from Bona Fide Books**

Look for Bona Fide Books' first three titles to come out this year.

In the coming months, the Meyer's publishing house will publish "Permanent Vacation: Twenty Writers on Life and Work in Our National Parks", Jason Schossler's collection of poetry, "Mud Cakes, and Tahoe Blues", a collection of flash fiction and nonfiction about Lake Tahoe. Submissions for the latter are open through May 1.
