

Fundraiser benefits Douglas County lake schools

Hollywood Improv takes stage April 9 at MontBleu in Stateline. It's a night to support academics.

Event attendees can plan on comedy improv entertainment, a wine wall, silent and live auctions, drinks, hors d'oeuvres, dinner, dancing, celebrity spoofing and more. Tickets start at \$60 and guests can purchase an 'A' list table or VIP ticket online.

The event that starts at 6pm is the Nevada Lake Schools' biggest fundraiser.

Last year's event raised almost \$40,000 that was spent on laptops, athletic equipment, language software, library and audio books, printers, hard drives, engineering books, cultural arts assemblies, science fair support, art supplies, culinary supplies and more.
