

Talk in Incline about polar ice melt

Our Melting Poles: Where Life on Earth is Changing is a presentation by Professor Warwick F. Vincent from the Center for Northern Studies, Laval University, Quebec City.

The event is Sept. 15 at 6pm at Sierra Nevada College, Room 106, Incline Village. There is a no-host bar at 5:30pm.

Cost is \$5.

Vincent is known internationally for his research on polar lakes, rivers and coastal seas, and the responses at the base of their food webs to environmental change.
