

Fat Tire Bike Fest coming to North Shore

The inaugural Tahoe Fat Tire Festival will be Sept. 20-23 for a weekend of all things mountain bike at Squaw Valley.

It will feature cross country, short track and gravity racing, rides, trail work, demos and vendor expo, and nightly antics with a beer garden, movie screenings and local bands.

Interesting bikes to ride at the 2009 Fat Tire Festival in San Francisco. Photo/Susan Wood

TAMBA and the Truckee Trails Foundation are teaming up on this event. The goal is it will be a primary fundraiser for both organizations.

More information will be on *Lake Tahoe News* as details are solidified.
