

Tahoe Tails – Adoptable Pets in South Lake Tahoe

Jacob is one of several beautiful black cats at the shelter.

Black cats often stay at shelters longer than lighter-colored cats, through no fault of their own. Jacob is about 5 years old, and has been at the shelter since January. He is a friendly and affectionate cat, and would do well in just about any home.

Jacob is neutered, microchipped, and vaccinated. He is at the El Dorado County Animal Services shelter in Meyers, along with many other dogs and cats who are waiting for their new homes.
