Tahoe Tails – Adoptable Pets in South Lake Tahoe

Cassie is a beautiful long-haired gray cat who has been at the shelter for several weeks now. She is friendly and affectionate, and may have been overlooked because of all the kittens (most of them have been adopted) or maybe because her fur is so lush. Cassie is a nice cat who would love to get back into a real home as soon as possible.

Cassie is spayed, microchipped, and vaccinated. She is at the El Dorado County Animal Services shelter in Meyers, along with many other dogs and cats who are waiting for their new homes. Go online to see photos and description of all pets at the shelter.
