LTCC solidifies administrative team

Interim has been lost from the title of two employees at Lake Tahoe Community College.

The board this week made Virginia Boyar permanent dean of Career and Technical Education and Kurt Green permanent dean of Instruction. Both had been in the respective jobs on a temporary basis.

Because there is no increase in the number of administrative positions the college did not have to advertise for the jobs.

On a 4-0 vote the board approved both. Molly Blann was absent May 14.

Boyar's contract is through June 30, 2016, while Green's is until June 30, 2014. He plans to retire at the end of the next school year.

At the May 28 board meeting one of the main topics will be the college's facilities masters plan. In June the board will discuss whether an intercollegiate soccer program should created.
