• Controller

• Treasurer

• Attorney general

• Insurance commissioner.

In order to win the contest outright on June 3 a person must receive 50 percent plus one vote. If no one reaches that amount, then the top two vote getters will square off in November.

In addition to the individual races, there are a number of local and statewide initiatives that will be before voters in June and November. Plus, El Dorado and Placer residents will be asked to vote on a congressional race and Assembly.

On the November ballot will be South Lake Tahoe City Council candidates. The seats occupied by Angela Swanson, Brooke Laine and Tom Davis will be up.

November will be the first time Lake Tahoe Unified and Lake Tahoe Community College candidates are elected by district. This means people will vote for only one person.

South Tahoe PUD seats will also be up.

The filing for November opens in mid-July.
