

TRTA working in Tahoe City on National Trails Day

Tahoe Rim Trail Association on June 7 is celebrating the 22nd anniversary of National Trails Day.

TRTA is kicking off the summer trail building season by pitching in to help maintain the trail heading east from Tahoe City on the 64 acres near Fanny Bridge.

No experience is necessary. Groups and families are welcome.

The event is from 8:30am to 4pm.

Meet at the parking lot to register, get lunches packed, provide details for the day and to wrap up at the end of the day.

Tahoe Rim Trail Association will provide lunch for all preregistered volunteers.

For more information or to register, contact Morgan Fessler at morganf@tahoerimtrail.org or 775.298.4489.
