

Tahoe Tails – Adoptable Pets in South Lake Tahoe

Yazzy

Yazzy is a 2-year-old Australian shepherd mix who is house trained and very affectionate with her people. She walks nicely on her leash, and has lived with teenagers.

Yazzy does well with large dogs, but cannot be trusted with cats and small animals. She has a lot of energy and would make a great hiking and camping companion.

Yazzy is spayed, microchipped, tested for heartworm, and vaccinated. She is at the El Dorado County Animal Services shelter in Meyers, along with many other dogs and cats who are waiting for their new homes.

Go to the Tahoe animal shelter's Facebook page to see photos and descriptions of all pets at the shelter.
