Indian dance theater at MontBleu

Blue13 Dance Company is a contemporary Indian dance theater ensemble based in Los Angeles that is coming to Tahoe this month.

Tahoe Arts Project is bringing the group to the MontBleu showroom in Stateline on Oct. 24 at 7pm.

Since 1999, the company has performed all over the United States and abroad in its signature Neo-Kathak and Bollywood-Tech styles, modern dance work that is energetic, colorful, and theatrical, and inspired by the classical and cultural dance of India. The company's mission is to advance non-traditional contemporary dance, while preserving and cultivating the cultural and classical forms of India. Translating dance into enduring societal contributions, Blue13 dispels cultural stereotypes and connects diverse communities through cross-genre and multicultural live performances, dance education, and outreach that inspire global unity and togetherness.

Tickets range from $8 to $23.
