Tahoe Tails – Adoptable Pets in South Lake Tahoe

Jodi

Jodi is a 3-year-old Husky mixed with a cattle dog – is the best guess. She shows many of the characteristics of both dogs – she is very energetic, smart, and generally well-mannered. But as is typical of both breeds, she has a strong prey drive and can play a bit rough, and will be best in a home without small kids, small dogs or cats.

Jodi is spayed, microchipped, tested for heartworm, and vaccinated. She is at the El Dorado County Animal Services shelter in Meyers, along with many other dogs and cats who are waiting for their new homes. Go to the Tahoe animal shelter's Facebook page to see photos and descriptions of all pets at the shelter.
