

High school students sought for art contest

The Western Governors' Association is sponsoring the Celebrate the West regional art competition for high school students.

Entrants must create original two-dimensional artwork inspired by their state or informed by living in the West. Students may draw ideas from a variety of sources, including state history, landmarks, natural resources, national parks and monuments, people, communities, and culture.

Winning artists will receive cash prizes and their works will be displayed at an upcoming WGA Governors' meeting, as well as on the WGA website.

Students will submit a digital copy of their entry via email by April 30. The rules are **online**.
