Mt. Tallac hosting community meet-and-greet

Mt. Tallac High School is welcoming more than just students on Aug. 29, the first day of school.

There will be a meet and greet from 10:30-11:30am. The idea is to have students meeting potential employers and other community members, and for adults to interact with the students.

The continuation school is integrating worth ethic and career planning into its curriculum. The goal is for students to be able to join the workforce now or after graduation if college is not their choice.

Mt. Tallac is near the far end of South Tahoe High School’s football field; with easiest access off 13th Street.
