

Homewood ski resort to reopen Thursday

Homewood Mountain Resort plans to resume normal operations on Thursday after a fire ravaged a base lodge on Dec. 28.

Top-to-bottom skiing will be available starting at 9am. Access to the upper mountain will be via Madden Chair, which is located at the North Lodge.

Ski school, rental shop, retail store, and food and beverage venues will be available at the North Lodge from 8am-4pm.

The South Lodge was destroyed by fire in the early morning hours of Dec. 28. The cause is still under investigation.
