Letter: Chamber thankful for successful Business Expo

To the community,

The Go Local: Business Expo returned to the South Shore with huge success thanks to attendees, vendors, volunteers, and sponsors. Over 1,300 locals and visitors gathered inside the Harveys convention center March 31 as Tahoe Chamber member businesses showcased their latest programs, products, and services.

The night was highlighted with live entertainment from Heavenly Resort Mountain and The Loft lounge, vendor giveaways including a raffle of two cruisers bikes courtesy of South Shore Bikes, and tasty food and beverage samples from all the generous restaurant vendors.

Rounding out the evening was the announcement of best booth experience. Tahoe Chamber Ambassadors and volunteers surveyed over 90 booths to vote for this award, which represents best overall experience for attendees. After a close race, Barton Hospital was awarded the plaque. Barton Hospital's Rehabilitation and Sports Department showcased an AlterG anti-gravity treadmill, which helps patients to rehab from surgery or train through an injury.

Tahoe Chamber thanks those individuals and business owners who dedicated their time to this event to make it the best year yet. For a full photo recap of the EXPO visit facebook.com/tahoechamber. We look forward to seeing you next year.

Brittani Curtis, Lake Tahoe South Shore Chamber of Commerce
