

Incline golf course recertified as Audubon Cooperative Sanctuary

The Incline Village Championship Golf Course has retained its designation as a certified Audubon Cooperative Sanctuary through the Audubon Cooperative Sanctuary Program for Golf Courses, an Audubon International program.

Participation is designed to help course personnel plan, organize, implement, and document a comprehensive environmental management program and receive recognition for their efforts.

To reach certification, a course must demonstrate it is maintaining a high degree of environmental quality in a number of areas including: environmental planning, wildlife and habitat management, outreach and education, chemical use reduction and safety, water conservation, and water quality management.

The Championship Golf Course at Incline Village is one of seven courses in Nevada and 911 courses in the world to have this distinction.
