

Tahoe Tails – Adoptable Pets in South Lake Tahoe

China and Sunflower

China and Sunflower are 3-year-old bonded brothers who need a home together. They were loved in their previous home, but their owner cannot keep them. Their adoption fee has been partially paid.

China and Sunflower are neutered, microchipped, tested for FIV, and vaccinated. They are at the El Dorado County Animal Services shelter in Meyers, along with many other dogs and cats who are waiting for their new homes. Go to the Tahoe animal shelter's Facebook page to see photos and descriptions of all pets at the shelter.

Call 530.573.7925 for directions, hours, and other information on adopting a pet.
