LTBMU wants input on OHV grant

The U.S. Forest Service Lake Tahoe Basin Management Unit is seeking public comments for the annual California Department of Parks and Recreation, Off-Highway Motor Vehicle Recreation Division grant application.

The OHMVR application requests funding for trail maintenance, and operation of facilities for off-highway vehicle access in the Lake Tahoe Basin. The comment period begins March 6 and ends April 2.

When finalized, the grants will be available for public review and comment on the **state's website**.

Questions, comments or letters may be directed to Jacob Quinn, Lake Tahoe Basin Management Unit, 35 College Drive, South Lake Tahoe, CA 96150.

For more information on the application, grant process or how to comment, contact Quinn at 530.543.2609 or jmquinn@fs.fed.us.
