

Psychology of humor topic of talk in Incline

The Psychology of Humor is the title of Kim Bateman's lecture this month in Incline Village.

From mockery (the Darwin Awards) to sarcasm (National Sarcasm Society – like we need your support), comedy can be viewed as a diagnostic tool for the investigation of enduring questions about the human condition.

Bateman's talk will be April 26 starting at 6pm. Doors open at 5:30pm. Cost is \$5.

The event will be at the Tahoe Environmental Research Center on the campus of Sierra Nevada College.
