Free USFS ranger hikes at Heavenly

The U.S. Forest Service Lake Tahoe Basin Management Unit and Heavenly Mountain Resort are offering ranger led hikes every day at 11am and 1pm.

While the hike is free, it does require paying for the gondola ride. The hikes start from the top of the gondola.

They last about 90 minutes and are moderately difficult.

Wear closed toed shoes and bring water. No reservations are required and attendance is on a first-come, first-served basis.
