‘Documentary Papers, Stories of Undocumented Youth’

As part of Global Youth Service Day, Lake Tahoe Community College’s H.O.P.E. club, in association with the Boys and Girls Club of South Lake Tahoe, is screening “Documentary Papers, Stories of Undocumented Youth” on April 24 at 6pm in the Duke Theatre at LTCC.

“Papers” is the story of undocumented young adults and the educational challenges they face, for there is no form of state and/or federal financial aid they can count on to continue with their dream of higher education.

Incline toddler, agency to receive $500 from Hyatt

Incline Village resident Lexie Mae Hidalgo and The Children’s Cabinet will split $1,000 donated by Hyatt Regency Lake Tahoe in Incline Village.

Hyatt’s staff and community members will gather in front of Cutthroat’s Saloon for a special celebration April 15 as General Manager Mark Pardue and Director of Food & Beverage David Lockard give Lexie May, 2,, and the Incline Village nonprofit their checks.

A tradition since opening in 2000, local residents and resort guests continue to decorate the walls of Cutthroat’s Saloon with embellished dollar bills, with 1,000 bills collected since early 2009.

Lexie Mae has Coats' Disease, a rare condition causing abnormal development in the blood vessels behind the retina.

The Children's Cabinet offers services and resources to address unmet needs of children and families in need in the region.

Kings Beach, Meeks Bay controlled burns

Pending favorable conditions, Forest Service fuels management crews expect to conduct prescribed fire operations in Kings Beach and Meeks Bay this coming week.

Operations in Kings Beach are scheduled to begin April 11 and continue for two to three days. Operations in Meeks are expected to begin April 12 and continue throughout the week.

Other state and local agencies may also be conducting prescribed fire work during this time. Residents and travelers can expect to see smoke from prescribed fire project areas.

This and other prescribed fire projects are designed to reduce wildfire risks to communities and critical resources. Smoke management is part of every prescribed fire burn plan, and efforts will be taken to reduce actual or potential smoke impacts on community areas.
