Sierra Roadwork Schedule, Sunday through Saturday, October 9-15, 2016

LONG-TERM PROJECTS

Interstate 80 (Placer County) from Brace Road to Magra Road: Work is nearly completed on the \$36 million project which increased the vertical clearance of nine bridge structures in south Placer County to 16 feet, 6 inches. The vertical clearance was increased on seven structures by lifting the existing bridge deck and the other two had the roadway below dug down. More information on the project is available at www.raise80.com

October 9-15

Interstate 80 (Placer County) in a one-mile section under and adjacent to the Brace Road overcrossing: Eastbound and westbound motorists can expect alternating lane closures as electrical sensors are installed in the roadway. **No traffic interfering work scheduled for this week.**

Interstate 80 (Placer County) from Long Ravine underpass to .2 miles east of Magra Road overcrossing: Roadwork begins for the 2.5 year, \$50.6 million project to construct @ 3 miles of additional 'truck climbing lane' and other improvements to primarily eastbound I-80 east of Colfax including widening the Cape Horn undercrossing bridge.

October 9-15

Interstate 80 (Placer County) at the Cape Horn Undercrossing Bridge: Motorists can expect one way traffic controls for **around-the-clock** alternating lane closures from **June 20 throughout the summer** for bridge work.

Interstate 80 - Eastbound (Placer County) from Hwy 174/I-80 junction to Secret Town overcrossing (Magra & Alpine): Motorists can expect overnight right lane and shoulder closures from **6 p.m. to 11 a.m. Monday through Thursday and from 6 p.m. Thursday to 9 a.m. Friday October 10-14** for roadway excavation.

###

The Caltrans District Traffic Management Branch has reviewed each project and determined that individual project delays are expected to be less than the statewide policy maximum of 30 minutes, unless noted otherwise above. Lanes are numbered from the center divider (#1) to the shoulder (#2, 3, 4, etc.).

Unexpected schedule changes may occur. For current information on roadwork, delays, road conditions and emergency closures, call the voice-activated Caltrans Highway Information Network (CHIN) at 800-427-7623 (ROAD) or visit Caltrans "QuickMap" website at: <http://quickmap.dot.ca.gov/>
