Lake Tahoe Basin and El Dorado County Roadwork Schedule Sunday through Saturday, March 19-25, 2017

EMERGENCY PROJECTS

U.S. Highway 50 (El Dorado County): The highway is reduced to one lane in each direction at Bridal Veil Falls due to slope damage.

State Route 89 (El Dorado/Placer County): Motorists can expect one-way traffic control at various locations from the El Dorado County line to Tahoe City from **8 a.m. to 6 p.m. Monday through Thursday and 8 a.m. to 3 p.m. Friday** for dead tree removal.

State Route 193 (El Dorado County): Motorists can expect signalized one-way traffic control about 1 mile north of the junction with State Route 49 in Placerville around the clock for slope repair work.

LONG-TERM PROJECTS

State Route 49 (El Dorado County): Work has begun on a \$22 million project to replace the South Fork American River Bridge in Coloma-Lotus. This project will make seismic improvements, widen the bridge to allow for 8-foot shoulders and sidewalks, and also make roadway improvements to State Route 49. Completion is expected in late 2018 or early 2019.

March 19-25

State Route 49 (El Dorado County) on the South Fork American River Bridge: Motorists can expect one-way traffic control from **8 a.m. to 6 p.m. Monday through Friday** for water line relocation work.

State Route 89 (Placer County): Work is in **winter suspension** on a \$70.1 million project from Tahoma to Granlibakken Road in Tahoe City that is upgrading storm water drainage and treatment systems, adding curb and gutter, resurfacing and realigning the road, adding new left-turn pockets and widening shoulders on an 8-mile stretch of the

highway. Completion is expected in summer 2017.

State Route 89 (Placer County): Work is **weather dependent** on a \$35 million project in Tahoe City to build a new Truckee River bridge east of the Caltrans Maintenance Yard with roundabouts on either end, replace the existing Truckee River (Fanny) Bridge, construct a roundabout at the “Wye” intersection and make complete street enhancements to the portion of State Route 89/West Lake Boulevard that will become a local road after project completion, which is expected in 2018. For more information on this project, please visit: <http://www.tahoetransportation.org/fanny-new-1>

SHORT-TERM PROJECTS

State Route 28 (Placer County) from Agatam Avenue to National Avenue: Motorists can expect the auxiliary lane and right closed from **8 a.m. to 6 p.m. Monday through Thursday** for utility work.

State Route 28 (Placer County) from Secline Street to Chipmunk Street: Westbound motorists can expect the #1 lane closed at various locations from **8 a.m. 5 p.m.** for utility work.

State Route 49 (El Dorado County) from Skyline/Coon Hollow Road to Chamberlain Street in Placerville: Motorists can expect full highway closure with a detour from **7 p.m. to 6 a.m. Monday through Friday** for utility work.

###

The Caltrans District Traffic Management Branch has reviewed each project and determined that individual project delays are expected to be less than the statewide policy maximum of 30 minutes, unless noted otherwise above. Lanes are numbered from the center divide (#1) to the shoulder (#2, 3, 4, etc.).

Unexpected schedule changes may occur. For current information on roadwork, delays, road conditions and emergency closures, call the voice-activated Caltrans Highway Information Network (CHIN) at 1-800-427-7623 (ROAD) or visit Caltrans’ “QuickMap” website at: <http://quickmap.dot.ca.gov/>
