The Caltrans District Traffic Management Branch has reviewed each project and determined that individual project delays are expected to be less than the statewide policy maximum of 30 minutes, unless noted otherwise above.

Lanes are numbered from the center divider (#1) to the shoulder (#2, 3, 4, etc.). EB/WB means eastbound and westbound. JEO/JWO means "just east of" and "just west of."

Unexpected schedule changes may occur. For current information on roadwork, delays, road conditions and emergency closures, call the voice-activated Caltrans Highway Information Network (CHIN) at 800-427-7623 (ROAD) or visit Caltrans "QuickMap" website at: <http://quickmap.dot.ca.gov/>
